RE: Overdue Response to Information Request

Dear Mr. Smith:

On August 4, 2004, the Environmental Protection Agency (EPA) sent you a Request for Information pursuant to Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act, (CERCLA) 42 U.S.C. § 9604(e) regarding the Crossroads Property at the Westlake Landfill Site. This request was sent by Fed Ex and you signed for it on August 5, 2005. The request allowed ten days for a response; EPA still has not received your response and the ten days expired on August 15, 2004.

Please be advised that Section 104(e) of CERCLA provides for penalties of \$32,500 per day for failure to comply with a request for information. You are encouraged to submit your response promptly. Please follow the directions for responding as provided in the Request for Information.

Very truly yours,

Cheryle Micinski
